“ *Brian was one of the first people I met working at Walmart. Everyday he saw me he would laugh and ask why I'm still there. He was so excited to finally be out of there and started a new job. Though he said he would be back to visit, I never saw him again.. Brian was an acquired taste, but a good soul. I will miss him, May you Rest In Piece Friend*❤️

“ I am so very sorry to hear of Brian's passing. He and I were very close when he worked at Walmart. He was a really good friend to me and helped me get through some rough patches. I have missed working with him- and I doubt he actually realized just how many people at the store genuinely care for him. He will be greatly missed. I luv ya honey. BIG HUGS & A KISS ON THE CHEEK for you up in Heaven, Brian. XO
