“ *I can't pick a memory when you were a solid and important part of most of my early years.. Aunt Carol, you were my second mom. When Miles and I were boys, I probably spent more time at your house than my own. It hurts my heart to know I'll get to have coffee with you again. I hope you know how much I love you. You influenced in so many ways and you help make me into the man I've grown into.. for that and so many more reasons; I love you and I'll never forget you...
Rest easy, I hope you meet you in the next life.*
