“ *My husband was my hero. The strongest man I ever knew. He had and such strong faith. We shared 33 years of the BEST marriage EVER!!!! It is simple but but so very hard, I just miss him more than words can describe. I know he's not suffering anymore and I won't be selfish to wish him back here because he went through more than we can imshine. Even though if you looked into his eyes (soul) you could see just how much he endured. He sure was a fighter. He loved life so very much!!! He had the kindness soul I've ever known. I just miss him soooooooooo much!!!! My love, my life forever and ever!!! Till we meet again honey. I love you soooooo very much.*
