“ I frist meant Darlene at the apartment where I lived she always asked me to meet her outside in the front we used to talk about anything that came to our minds
If I was having a bad day I knew who I could call to cheer me up she became a very dear friend

“ *I am going to miss you so much Darlene!!!
You gave so much of your heart and wisdom
everytime I would see you and sit with you at
the tables. Prayers and thoughts are with your
family!!!*

“ *Darlene was such a joy to work with at McDonald's. Even though
we lost touch after we both quit I think about her often. My
condolences to the family.*
