“ Years ago We raced against each other not really getting to know each other. Then we met personally thru a mutual Friend, Dave was just what everyone has said about him! A super nice Guy that would give ya the shirt off his back for You. Me and Dave when we were around each other talked about Coaching and mentoring Kids, he simply was one of the Best People that i have ever met. Godspeed Dave until we meet again my Friend.

“ *Patty and family, I am so sorry for your loss. Dave was a great hockey coach and mentor to many kids including Jake. The good times are too many to count. Heaven has gained a new Angel and I'm sure he's already started a hockey team and bowling team. Prayers to you and your family*

“ My Buddy Dave. So many ways I want to convey from my heart what this man meant to me. I met him first as a coach for my son in a sport we both love. Next we coached together with a great group of kids and families. We bowled together, played fantasy football together, went to Lions games together and yes drank together. Never have I met such a person so willing give you the shirt off his back or just reassuring words. David I want you to know you have made a profound impact on so many lives in your short time here on Earth. I will miss you brother. I love you Kevin

“ *The world lost a good man, but Heaven did gain a Beautiful Angel. It was such an honor to have you in our lives and to call you my friend. Thank you for always being there with "open arms" and willing to help whenever it was needed. But most of all, thank you for helping mold my son into the man he's becoming because of the respect, and compassion you showed while coaching him in hockey. We will forever be grateful for that...gosh, I'm sure going to miss our daily conversations and catching up on the latest gossip...LOL...Rest in Peace my friend, I love you...until we meet again!!*

“ I never had the pleasure of getting to know Dave but my heart goes out to my dear childhood friend Patti. Not a memory of mine before the age of 12 doesn't include her. I know your heart is breaking right now and my heart breaks for you. You and Dave had many years to build wonderful memories. I pray those memories and the grace of God carry you through this very tough time. I'm praying for you and for and the rest of your family. I love you!
