“ I know this is over a year from Don's death, but I just discovered this page. I feel badly that such a wonderful, humorous man is gone from this earth. I met him in the 90s and and enjoyed many good times with him and our friends.

May his soul rest in Peace.

*Love,
Carolyn Nugent*

“ Uncle Don,

If there is one thing about you that I will always remember, it is your sense of humor and fun loving spirit. Whether it was kids or adults, you always had a way of making everyone laugh and not take things so seriously. One of my favorite recent memories is you playing Farkle with us at your 90th birthday, and rolling the dice and exclaiming "lookie there!" as you rolled (see the picture below). I was blessed to have you as an uncle and blessed to have all of the interactions with you and your family through the years. Thank you for sharing your life with us...we will miss you! Rob & Family

“ Dear Carson family,

I am so sorry for your loss. The death of a loved one is so difficult to go through, especially a beloved spouse or parent. I hope you receive a measure of comfort knowing our loving Creator has made provisions to undo all the pain and suffering we experience in the near future. John 5:28,29

“Dad, I'll always remember your sense of humor. Just 10 days ago you found out you had stage 4 cancer of the lungs, digestive track, lymph nodes & bones. You just smiled and said" I want a second opinion!" Your courage in the face of death will always be with me. You have always been my Father, friend and closest confidant. I will not say good bye, foreign truth there are no good byes. For us it's only so long for now...till we meet again!
