“ *Ron and family, I am so glad after Grandma passed away that I got to know Cousin George. My Dad, Ernie, for his family lived in Tennessee and we only saw Grandma once a year, But as we grow older and times and communication has really changed, I will missed the phone calls, trips to Hillsdale county for camping, and the talks, up dates on everyone. I love you and will miss you. Rest in Peace. Cousin Jeanie*

“ *George was a very kind man that was always very nice to me as he was to everyone. I don't think there was ever a time that I went to my sisters house & he wasn't there. He loved my sisters children as if they were his own grandchildren. when I think of George I picture him sitting in a chair with his hands on his belly giggling. He will be truly missed. RIP George*

“ I'll never forget the smile and jubilation on George's face when he got to coach his grandson, Michael, and his Stars Mite hockey team for the first time. George was the team's #1 fan and didn't miss Michael's games or practices for that matter.

So when Coach John asked George if he'd like to coach the boys for the rest of a scrimmage game , George in disbelief happily obliged. It took a couple of us to get him down to the bench but once he got there he was like a " kid in the candy store, " yelling instructions to the boys while giving them fist bumps as they came off the ice.

As fate would have it , the boys came thru for Coach George winning 5-0 making him undefeated in his only coaching appearance but more importantly allowing him to be where he wanted to be most....near his grandson and right in the middle of the team.

So here's to you Coach George and the wonderful difference you've made on us all !

Thank you for the memories.

Respectfully ,

Craig (friend and hockey dad)
