“ *I remember my interview at AT&T many years ago. I interviewed with Ila's then manager, Bruce Bis. When I interviewed he asked me how I thought I'd do in sales. I looked up in his office and said - I want to be that lady. Ila's name was at the top of the list for the best sellers (where it often was). After I was hired, I got to know her, very sweet lady who was always willing to help. Plus she had a killer sense of humor. Her spirit will definitely be missed. Prayers to the family, may your memories help you through this very dark time.*

“ *My condolences to Ila's family. She and I worked together at SBC/ Att. She was always so calm and organized amidst the craziness of our job! If I needed help or had questions she was one of my go to colleagues. I know she was always very proud of her children and family. So sorry for your loss.*

“ *My condolences to the Family for your loss of Miss Ila. I was a co-worker of Miss Ila's at At&t Yellow Pages. She was a sweet person and always had a pleasant disposition. It was great working with her. I was sad when she left the company, not being able to see her beautiful face and feel her kind spirit in the office. I'm really sad to hear about her passing. I want to send prayers to the family asking for strength, peace and comfort during this time. God Bless you all.*
