“ *Uncle Jim was the quintessential uncle. He picked on us and harassed us, all the while letting us know how loved and protected we really were. I am saddened at his loss and will miss him terribly. I will always remember the camping trips and the fun we had as an extended family. My heart aches--With all my Love, Niece Heather (whenever I greeted him on the phone as Uncle Jim, he would respond with "Niece Heather"*

I am currently hospitalized and will not be able to grieve with and console my family but, I want them to know I am there in spirit..

To my cousins: I know the pain of losing a parent so young and I give you virtual hugs and a high five for Colie. I wish I could be there to help support you. I love you all very much.

Aunt Linda: I love you and send thoughts and prayers for the you to have the strength to withstand your surely broken heart. May time ease the pain that no words can.

“ Today I found out from Jim's wife Linda that Jim passed. What can I say about Jim, so many things come to mind. First and foremost Jim was one of my best friends when I was living in Michigan. We played softball together on several teams and we most definitely drank a few beers after a few games. But he was more than a great teammate he was one of the best friends a person could have. I had a few rough times that I had gone through and Jim was always there for me.. I only hope I was as good a friend to him as he was to me. When you move away from a place , you always leave your friends behind and trust me it was a hard thing for me to do. I loved Jim like a brother and I will miss him very much. I know I will see him again, because I know where he is at. I know God had a special place for him. Jim was a great husband and father to his kids and I'm sure they are going through a very hard time now, my love and prayers go out to them. Rich Lange

“ As a kid I thought of jim as my cousin due to the fact that he was at all our family celebrations and picnics at clear lake and lower Huron metro park. In my heart he was my cousin always with a big bright smile. Now he will be at a more peaceful reunion.

“ Jim's birth gave me one of the proudest moments of my life!! Who doesn't want to be an AUNT at the age of four. I bragged about him whenever I got the chance. So many fond memories of the boy he was to the man he became. He was my gentle giant. His presence will always be with me. His family is an outstanding example of the man that he was, a beautiful wife of 46 years, his children, grandchildren, nieces ,nephews. and his siblings. May you rest in peace without pain.

“ If I could write a story
It would be the greatest ever told
Of a kind and loving father
Who had the heart of gold
I could write a million pages
But still be unable to say
Just how much I love him and miss him
Every single day
I will remember all he taught me
I'm hurt but won't be sad
'Cuz he'll send me down the answers
And he'll always be MY DAD !!!

“ Linda and Jim used to babysat me when I was a kid. My mom and I lived in a duplex above them in Lincoln Park. This was 25 years ago. I still have alot of memories of Mr. Mann spending time with me. Playing basketball, going to a pistons/jazz game, fishing, and I think he even yelled ho ho ho down the chimney one year like santa. These are only a few things. The Manns we're an awesome part of my life. I'm thankful for Mr. Mann being the father figure I needed when I got in trouble and for the time he spent with me. I am so sorry for your loss. Prayers for comfort and peace.

Sincerely, Chris Bourdo and family

“ So sorry to hear about Jim's passing. A million years ago, Jim befriended me when I came to public school at Wilson Jr High. Public school was a lot less intimidating with Jim as my friend & bodyguard.

We reconnected last fall on the phone for the first time since 1967...and it was like "old home week".

My prayers and warm wishes go out to the family and friends on Jim Mann...one of the truly "good guys" I was fortunate to know.

Respectfully,
