“ *Danette, Allison, Lisa and Steven, I am so saddened for you and the lose of such a great Husband and Father way too soon. Jeff always was there for my Mom (Gloria) and anyone that needed his help. We did a lot together growing up as cousins. He took Laurie and I skiing for the first time to Mt. Brighton. Had to beg my parents but of course Jeff has that convincing way about him. We had so much fun and boy could he ski. We will miss him so much words cannot express. We will keep you in our prayers and if we can help in any way. Love, Mike, Lana, Bryan and Kyle Klosterman*

“ My heart is broken and I will miss my cousin Jeff dearly. My heartfelt condolences go out to you all Danette, Allison, Steven and Lisa during this painful time in your life. Jeff was one of the most caring and compassionate person you could know. He was always there for me if I needed anything fixed around the house and always will tell me don't do anything I'm coming right over to check it out. I will always remember the good times when we went camping together when the kids were little in Tawas. Jeff was all about family and he always wanted to be at family gatherings and liked to always laugh and joke around. I will always be here for you guys if you ever need anything. I will miss you forever Jeff and you will always be in my heart.... Love always Laurie, Mitchell , Kara and Amanda Compean

“ My heart is so sad to hear of Jeff's passing as he was more of a Brother to me than a Cousin... And I send all my Love ,Sympathy and shared Sorrow to Danette, Allison, Lisa and Steven during this unbearably painful time. I feel so fortunate to have been able to spend a few days with Jeff earlier this year as he showed me around town, where I was born, where my Dad, his Dad, he, Michael and Michelle grew up... taking in a Tigers game... catching up after too many years... He was surely loved by all for who he was and the positive impact he had on this earth and its inhabitants... for which he will be forever missed. Love you Brother!

“ *Danette our prayers are with you and your family in your time of need. We will miss Jeff very much since he was like a brother to us all these years. We had lots of great times with the two of you over the years and its hard to believe right now but he is in a better place. Our lives are going to be less fun without Jeff in it but we know he will be watching over us. Will miss him calling us the peaches since he loved doing that. We will be here whenever you need us. Love the Apples or the Peaches*
