“ I had the pleasure of working with Joe at Everest Inc. The thing that stands out the most about Joe is his way of getting everyone's attention (ESPECIALLY RAQUEL) was that he would put on up a fuss about where he had to sit in the van going to work shop. He told me that the reason he liked riding by the window was because he liked seeing the sun, or at Christmas time he liked looking at the lights. He liked giving out hugs and letting you know how much he appreciated you being his friend. One year for Christmas he made me a Christmas card and asked me not to tell anyone because I was the only one that he made a card for that year except for his mom. He alway tried to get me to smile even if I didn't want. So, Joe, GO FLY HIGH ON THAT MOUNTAIN BUDDY. YOU'LL BE TRULY MISSED.
