“ *Laurie Keating answered my phone call for help on a training class at midnight. She rented me my first Mustang convertible so that I would look great in HNL. She commiserated regarding problems of the heart. She was my senior colleague at work, but she stood in as a best friend when needed. I will miss her sorely. I send my sympathy to you, her family. She was always thinking to bring you home something as we traveled.*

“ Why is it that funerals are the place we always seem to catch up with old friends? It shouldn't be that way. Life is way too short. Family, friends, and coworkers of Laurie Keating you're in my thoughts and prayers. RIP Laurie. You will be missed.

Laurie and I were neighbors from the time I can remember. You were always a good person, with a positiveness about you. You and I were "The Mousseau Babysitters." That gave us a wonderful thing in common. I was shocked and sad to hear of your passing. God Bless you Laurie and all your family. Praying for peace and comfort for all the family in their time of sadness.

“ *Like so many, I'm deeply saddened and shocked of Laurie's passing. I guess Heaven needed another angel. I worked with Laurie at UA's Elk Grove campus at the Training Center. She always had a kind word or a smile for everyone. I reconnected with Laurie on FB and was happy to see her journeys around the country/world and to share messages w her. Now that she's made her final journey Home I find comfort knowing she's with our Lord and with family and friends who passed before her. I know she is celebrating her birthday with them tomorrow. Laurie's family are in my prayers I'm so very sorry for your loss. May she rest in peace.*
