“ Bobby was a gentle giant who had an enormous heart of gold. He was always there to help whenever you needed him. I worked with Bobby for many many years at Toys R Us and always enjoyed his presence in the store. He always talked of his family in such a loving way, and brought Tommy along to our bowling league nights. He will be greatly missed by so many hearts he touched. Rest In Peace Bobby, you will always remain in my heart. See you on the other side my friend..
Love, Buijck
