God has welcomed Sandra home, to be with Him for all Eternity! Sandra's legacy is one of genuine kindness and compassionate caring for everyone with whom she came in contact. Sandra is part of a beautiful, caring Family, all of whom love Sandra very much, and who remained with her around the clock during her most difficult times, at the cost of their own sleep and rest. Great is the love that unites this Family, and may our Lord Jesus bless them all with His grace!

For many years, Sandra crocheted hats and scarves for the homeless, decorated lunch bags for them, and even created special drawings to encourage and thank our servicemen and servicewomen at the John D. Dingell Veterans Administration Hospital in downtown Detroit. After many years of giving so generously of her time and talents, Sandra is now safe in Jesus' arms. Sandra was a bearer of His Light in our world, and the paths she illuminated with her warmth and goodwill remain always an inspiring testimony to her life.

God bless you, Sandra, and all your loving Family! In Jesus and Mary - Cathy Diethorn
